

BIGGEST PICNIC AT BUCKROE BEACH

Three Special Trains for American Locomotive Party on Saturday.

MANY SPORTING EVENTS

Prizes Offered for Novelty Features—What Program Shows.

Elaborate preparations are being made for the fifth annual outing of the employees of the Richmond Locomotive Works. An excursion to Buckroe Beach will be run via the Chesapeake and Ohio Railway on Saturday, July 23. It is expected that 3,000 men, women and children will pack their dinner baskets and hike to the seashore, where all day they may ride on the circle swing, "shoot the shoot" and dabble in the invigorating waters of Hampton Roads.

Three special trains have been secured to accommodate the excursionists. The first will leave Richmond about 7 o'clock, while the other two will follow closely. Formerly these outings were conducted by officials of the Locomotive Works. This time the employees are managing affairs themselves, although, every possible assistance is being given them by the superintendents of the various departments of this big manufacturing plant.

The excursion is run for pleasure alone. Whatever money is left after paying for the trains will be devoted to providing entertainment for the women and children at Buckroe Beach. The day at the seashore will be one of continual round of pleasure. There will be events galore. Prizes will be offered for the prettiest baby between the ages of six and thirteen months. There will be an egg race for women, apple eating contest for the boys, bear race for men, fat men's race, sack race for men, potato race, needle threading contest for women, fifty-yard dash and return for women, tug-of-war, three-legged race for men, a baseball game and other amusements. There will be a prize for the winner of every contest.

Some Feature Prizes. The employee having the largest family will be presented with a ton of coal. The oldest married couple will receive a prize, as will the homeliest man and the prettiest woman. The man with the "balded" head will receive a comb and brush, while the sportiest man on hand will be given a razor. There are numerous other chances to win something. The festivities will close with a baseball game, the winning team to be awarded ten dozen bottles of beer. There are about 2,500 employees at the Richmond Locomotive Works. Every man and his wife or best girl will be expected to lay aside the cares of earning a living and indulge in one big day of recreation. J. H. Bradley, chairman of the executive committee, said yesterday that he expects this to be the most successful outing ever taken by the employees. Merchants have donated liberally to the committee on arrangements, who have selected the various prizes. Ample provision has been made for dinner and refreshments. Everything will be free.
